Sir:

Applicant submits herewith a Form PTO-1449, and copies of the documents listed thereon.

The undersigned counsel hereby certifies that each document submitted herewith was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the date hereof, so no fee is believed to be due under Rule 97. However, in the event that any fee is due in conjunction with this submission, it can be charged to the undersigned Counsel's Deposit Account No. 14-1435.

The listed documents, which were cited by the Japanese Patent Office, are brought to the Examiner's attention because they are known to Applicant and/or Applicant's attorney and may be considered by the Examiner to be material to the examination of this application. This submission should not be construed as a representation that a search has been made or that no better art exists. No inference should be made that the documents constitute prior art or are in fact material merely because they are referenced in this submission.

Respectfully submitted,
